The above statements are true to the best of my knowledge. I hereby agree to pay all applicable fees indicated within SIXTY (60) days' notice of permit application approval; and to comply with the provisions of the sewer/water connection permit when issued. All changes during construction, or future remodeling that increase the EDU's must be submitted to the District. I agree to provide ingress and egress to inspect or repair sewer and/or water main lines, stubs, services, and curb stops; water meter equipment; and to verify EDU's. I also agree to comply with the construction methods required by the District for sewer and water service connections, and to give the District a minimum of 24 hours' notice for inspection of either service connection, prior to backfilling, and to allow a final inspection to verify the EDU's when the project is 100% complete. I acknowledge that I have read the permit conditions on and agree to provide a copy of the conditions to the contractor(s) responsible for the sewer and water service installations. Noncompliance may result in revocation of this connection permit. I agree to provide builder and contractors with copies of the permit and all applicable connection guidelines prior to beginning construction.
