

RESOLUTION 2018-06

A Resolution of the Four Corner County Water and Sewer District authorizing its General Manger to increase the user rates for Water & Sewer.

RECITALS

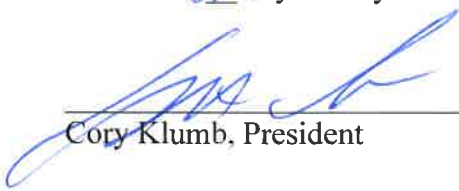

WHEREAS, the Four Corners County Water and Sewer District (“District”) is a county water and sewer district duly established in 2003.

WHEREAS, the District is planning to invoice fees for district personnel, engineering and legal to the entity requesting new service or an existing customer requiring additional services.

WHEREAS, these fees will be used to offset actual costs created by customers requests.

NOW THEREFORE, the Four Corners County Water and Sewer District resolves for its General Manger to invoice fees per part 5B and 5C, tables (attached) effective on July 25, 20.18.

Dated this 20th day of July 2018.

Cory Klumb, President
