

RESOLUTION 2018-07

A Resolution of the Four Corner County Water and Sewer District to raise Water and Sewer Rates District wide.

RECITALS

WHEREAS, the Four Corners County Water and Sewer District (“District”) is a county water and sewer district duly established in 2003;

WHEREAS, the District is planning to raise the user’s rates of water & sewer by 2% and 4.55% respectively.

WHEREAS, the rate adjustment does not require a vote as it is below the voting threshold of 5% in any 12-month period.

WHEREAS, this was discussed at the Four Corners County Water & Sewer District’s June 19, 2018 meeting.

WHEREAS, there was a notice mailed out on July 16, 2018 to all existing customer to notify them of the change of rates and special meeting date of July 24,2018 for final approval.

NOW THEREFORE, the Four Corners County Water and Sewer District resolves for the General Manager to raise rates effective August 10, 2018 for Elk Grove customers and August 20, 2018 for all remaining District customers .

Dated this 24th day of July 2018.

Cory Klumb, President

ATTESTED:

Maralee Parsons Sullivan, Secretary
